

NEW *Edmonton Catholic Schools*

Sister Annata Brockman

Catholic Elementary / Junior High School

Scheduled to Open in September 2010

K-9 school in The Hamptons

K-9 school in Terwillegar Towne · 10-12 school in Terwillegar · K-6 school in Rutherford

Approximate address: Hemingway Road and Hardy Point

Capacity: 500 students

Site Specifics:

- Flexible design, allowing core pod areas to be easily modified and respond to different teaching methods (i.e. project based learning, team teaching, individualized instruction, etc.),
- Provides educational resources to all classrooms (break-out rooms, activity space, curriculum/storage/project workrooms),
- Increased area for Physical Education,
- Maximizes daylight to all areas,
- Opening to the school core that allows for a gathering area that can be used for Religious celebrations and school performances,
- Provides for easy expansion capabilities,
- Site is designed to accommodate play apparatus and hard surface courts on the adjacent field,
- Size: 3418 squares metres.

Safety Features:

- Secure entry points to the school that allows modification for community and after hours use,
- Safe and clear access to school bus loading, play areas and parking,
- Administration area adjacent to main entrance in clear view of school entrance.

Programming:

- Site plan includes space for Food Studies, Fabrication Studies and Information and Communication Technology Studies,
- Regular Elementary/Junior High programming (Refer to chart on back),
- Computer Lab will be built on-site,
- Access to small instructional spaces such as break-out rooms for individualized instruction, testing and small group work,
- Access to a project centre with space for unique project work as well as specialty classes such as music and art,
- Library will incorporate a combination of open and focused learning areas.
